

彼岸花の咲く夜

you'll get your peaceful
happy ending...

I
wonder
if

NO
NO
MI
YA-
KU
UN

ahh

aghh

第9話

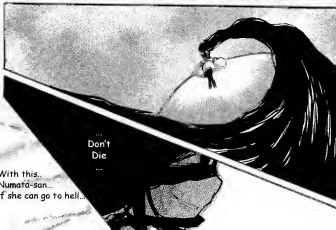

Now
might
be
...

Waiting
to
eat
the?

Are
you
still

Higan
bene-
can

Hi
Ho
Ho

So you...
will

Youko
couldn't

It's
So
Fun!

It's fun!
It's fun!

No one plays
with me...
and yet...
AND YET...

I'm always
lonely by
myself in the
infirmary

You want to go
to the cold,
lovely place that
no one comes
back from

Utahiko
Nononoya-Kun,
you really are
an
interesting
person

Become
My
Doll

My
Doll

Until
you go
insane
from the
darkness

I'll always
play with you!

It's been a while.

Hey.

Marie

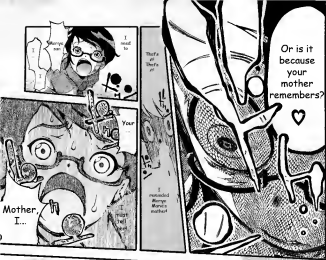

You're
just
like
you
were
then

But
that
was
a
mis-
take

There are
things I
can do!

I really
should have
vanished.

Now I...
Can remain
in this form
but

So tell me
what you can
do? Huh?
Tell me

Marie-
chon

Weren't you the one
who calmly strangled
Kanomari to death
on that shitty
floor?

Ahahahaha
what?
What can you
possibly do?

People like
you...

You really do
just laugh at
the misfortune
of others

Are what
I
devour!

You haven't
played with
me recently

I surrender
to this
boring kind
of hunt

and
and

Then
let
us
dance

Marie!

after
all!

So do
me a
favour
and

Let's
Pla
a
a
a
aaa
ay!!

You
have
sinned
as well
Marie!

In that condition,
you really are
the eighth school
Youkai

Will
we
continue

our
dance,

I
wonder?

Mo...
rya-san!

Shit!

The strength
of your grade.

all
it
is

The
ground

What
are
you
play-
ing?

What
are
you
play-
ing?

Hold
on...

What
the
hell?

Her
stage
is

Aha
ha
ha

Ahh, good
Marie

Very
good

Dancing
is easy

Very
easy!

Marie's
soaring
body

She

really

Ha
ha
ha
ha
ha

Your body
is just so
squishy!

The Dancing Higanbana

Hey Marie,
is that it?

Mariya
sent
Mariya
sent

So
...

I wonder
if it made
up for your
sins though.

I guess that
took care
of my
boredom

Quietly
...

Here
...

Leave!

play with
you in
the
infirmary

And
I'll
go

Ufufufufu
That's the
perfect
tea party

Let's have
darfuku
as well!

I'll serve
some tea
...

on top
of that

Is that
supposed to
atone for
your sins?

Ufufufu
what
was
that?

It can't
be helped

Nonomiya-kun's
red blood in our
cups would match?

However I
wonder if

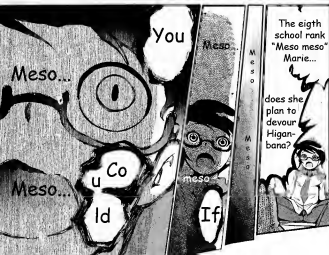

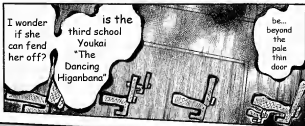

Higanbana-san
wouldn't
listen
to me

Like
always,
I was
afraid
that

Hey!

天! 天!

Would

You

Listen

To

My

Tra-

gic

Story?

She has
a knack
for crunching
up bodies

And
killing
them

And
killing
them

I see...
I know that
story...
She was
able to
become the
school's eighth
wonder!

She inhales
the old building's
bathroom, always
crying "mess mess"

If I
open
the
door,
it's
the
end
for
me!

"Meso meso-san"
is standing in front
of the door asking
a question.

But I can
never
answer her!

"Meso meso-son" is standing in front of the door asking a question.

But I can never answer her!

But I can
never
answer her!

—「ぬぬん!!!」

Really true?

But is that

I really want to find out

If I opened the door, what would happen?

fu
fu
...

U
fu
fu

Ufu

"The
Dancing
Higanbana"
simply
cannot

You
can't
open
it!!

I
need
to!

I
need
to
...

ah
—

Turn
this
door
knob

No one can
take your
position as
Meso meso-san

Mark
my
word!

The eighth
ranked Youkai
can't win

You've
broken
the
rules

Yapon
bama
now

This isn't
the Marie
that stands
out so much

...

So
...

So
...

I want
to pry
it open!

Aah

open

this
door

right

now!

I'll
break
down
this
door

You
weak
Youkai!

I like
you Marie!

I
love
this
feeling!

I
love
you!

I'm reaaaaally
glad that you
became my
friend!

Higan-
bana-san

I
like
you
too

ha

Aaah
that's it
you're my
only friend

Mariel

ha

I'll
be
waiting
for
you

ha

So
come
here
come
here

u

ha

fu

fu

You
have
to
come
here!

I guess that's
how it is. It's
been a long time
since we played
on this stage
to our hearts
content

I think it's
time we both
returned

If not for us, who
would look after
that depressing,
smelly place?

The
school
Youkai
belong
in the
school

ha

ha

Ha

ha

ha

ha

ha

ha

ha

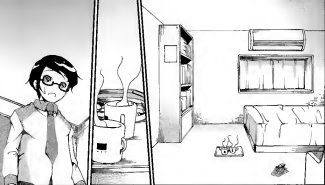

She
shouldn't
make
another
pass at
you...

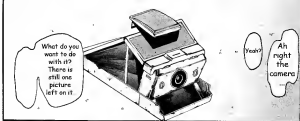

She's
quite
the
fickle
so

It's
all
right
now

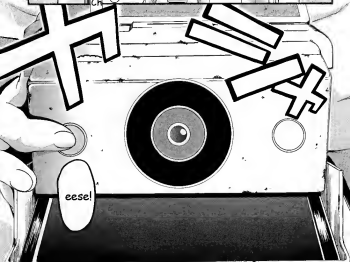

Higan-
bana-san
has
returned
to the
school

Thanks for reading my scanlation
of Higanbana no Saku Yoru ni.
This is my first scanlation ever
so I thank you for reading it.
I found the previous translation
very difficult to read so I decided
to fix it up and add in any missing
or wrong words.

I do have experience in reading
Japanese so you can expect further
releases from me on Higanbana but
I won't give any times on when they
will be released, only that they will
come and I ask that you please be
patient.

I'd like to thank ElectroMajutsu for
the translation before his hiatus
because it helped make this a quick
and easy release.

Until next time,
Gyundori
